## THE LAKE DISTRICT AWAITS

Through the centuries, the Lake District of Italy has seduced the hearts, minds and souls of artists and writers, including Lord Byron, William Wordsworth, Edith Wharton and Ernest Hemingway. Long before the Romans annexed the region 2,000 years ago, it was settled by Etruscans and invaded by Celts. Following the Romans through the Renaissance, nobility built palatial villas, filled them with priceless art, and laid out extraordinary gardens. European aristocrats of the 18th and 19th centuries considered the Italian Lake District an essential stop on their “Grand Tour” of Europe, as chronicled in E.M. Forster’s “A Room With a View.” To this day, the mild climate and snowcapped Alpine peaks descending to lake shores continue to lure the wealthy, as well as celebrities and elite travelers from around the world. From the deep-blue glacial lakes of Como and Maggiore, to the enchanting Villa del Balbianello, and from colorful Bellagio—the “Pearl of Lake Como”—to the sophistication of Milan, discover the exquisite gem that is the Italian Lake District.

## Art Imitating Life

There is no shortage of magnificent art to admire as you traverse the Italian Lake District. Vibrant frescoes adorn the walls and ceilings of San Fedele Church, depicting religious scenes and figures with intricate details and beautiful colors. The frescoes not only showcase the artistic skill of the painters but also provide a telling glimpse into the culture of Italy at that time. Learn all about the beautiful art and fascinating history the Italian Lake District has to offer from an enthusiastic and knowledgeable local art-history expert on this exquisite trip. While visiting Milan, marvel at one of Leonardo Da Vinci's renowned masterpieces—either "The Last Supper," depicting the final meal of Jesus Christ with his apostles, or the "Codex Atlanticus," a collection of his acclaimed notebooks. Take in the stunning views of the 18th-century Villa del Balbianello's landscape on Lake Como. With its immaculate gardens and ornate architecture, it's clear why the villa is an oft-used film location for noteworthy works of cinema.

Explore the 17th-century Palazzo Borromeo with its astounding collection of art and antiques. These picturesque sites and marvelous works of art make them must-visit attractions on this exclusive tour.
