

DISCOVER EGYPT AND THE NILE VALLEY

Temple of Luxor

Dear Texas Ex,

Join us for a historical and cultural immersion into Egypt's ancient treasures and timeless wonders. From iconic landmarks to architectural marvels, this land of pharaohs and pyramids is undeniably a crucial part of human history.

Stand in awe before the Great Pyramid of Giza and the enigmatic Sphinx before delving deep into the annals of history at the newly opened Grand Egyptian Museum, where treasures from Egypt's rich past come to life. Witness the grandeur of the Karnak Temple Complex—one of the largest religious buildings in the world.

Venture into the hallowed grounds of the Valley of the Kings. The Mortuary Temple of Hatshepsut will transport you to a bygone era of grandeur and opulence.

Among the countless highlights, you'll embark upon a private dahabiya sailing the tranquil Nile River, gaining rare access to ruins and temples during less occupied times. On land stay at five-star hotels, each a sanctuary of comfort and luxury.

This unhurried journey reveals Egypt's monumental history, staggering technological achievements, and compelling human stories. With significant savings of more than \$1,000 per couple, and with limited space available, we anticipate this tour will fill quickly.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Memberships start at just \$50.
