There is no better way to discover the world than to travel with other young alumni like yourself! The Flying Longhorns young alumni travel program, designed for recent grads ages 22 – 35, brings you together with other young professionals with similar backgrounds and experiences, as you take in some of the most breathtaking sites around the world on well-designed, hassle-free tours.

Travel the globe as you learn about ancient cultures, take in historical architecture, and sample the finest cuisine in each region of the world, all while connecting you with fellow young alumni from UT and other colleges and universities. These journeys—operated by AESU, a travel company with more than 48 years in the young alumni travel market—are fun, enriching, and value-oriented.

These outstanding itineraries are brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes; memberships start at just \$5 per month.
