Trek aboard 4x4 safari vehicles through the savanna plains during legendary game drives with expert guides who will enrich your experience through their knowledge, dedication and enthusiasm. Also visit conservation organizations that play pivotal roles in rescuing and rehabilitating at-risk wildlife, protecting endangered species, educating the youth, and preserving the ecosystems and biodiversity of the region. During community visits, engage with locals for a deeper understanding of their rich cultures and vibrant traditions.

After exhilarating days of exploration, retreat to luxurious lodges and tented camps, each offering exceptional hospitality and superior amenities.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Memberships start at just \$50.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience stunning natural beauty and rich culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and take your reservation. Capacity is limited on this popular program and it may sell out quickly.

To secure your spot, please contact the Flying Longhorns travel office at 800-594-3900 or travel@texasexes.org with questions or to make a reservation.

Best regards,
