Travel Experience for Texas Exes**

Dear Texas Ex,

We warmly invite you to join your fellow Flying Longhorns on an exclusive 11-day small group journey to explore Iceland, a land of astonishing natural beauty, diverse landscapes, and a fascinating history.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association’s mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us—many of our travelers are friends and family of alumnus—we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Membership prices start at \$50.

The association is a huge proponent of continuing education, and there is no better classroom than our world. Experience rich history and culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We’re standing by to answer all your questions and to take your reservation.

Capacity is limited to 24 guests on this popular program and we expect it will sell out quickly. Contact us to secure your spot at 800-594-3900 or [travel@texasexes.org](mailto:travel@texasexes.org)

Best Regards,

# Exploring Iceland

11 days for \$8,192 total price from DFW, Houston  
(\$7,695 air & land inclusive plus \$497 airline taxes and fees)

*It's a surprising, even astonishing land; one of massive glaciers and rumbling volcanoes, bubbling mud holes and powerful waterfalls; hugely abundant bird life and just 340,000 people; and where the sun never sets for six splendid weeks. It's also perfect for exploring in a small group, as we discover traveling the breadth of the country and getting an up-close view of this natural "wonderland."*

## Day 1: Depart U.S. for Reykjavik, Iceland

**Day 2: Arrive Reykjavik/Selfoss** Upon our early morning arrival in Iceland's capital, we meet our tour director, have breakfast at a local restaurant, then enjoy a scenic drive east. We stop to view the geothermal exhibit at the Hellisheidi Power Plant, Iceland's largest geothermal power plant, sitting on the slopes of Hengill volcano. Mid-afternoon, we reach pastoral Selfoss, and our hotel. Tonight: a briefing on the journey ahead followed by a welcome dinner. *B,D*

**Day 3: Selfoss/Vik** Today's highlights include the interactive Lava Center; Seljalandsfoss, one of Iceland's most visited waterfalls; and nearby Skogafoss, a popular waterfall known for its rainbows on sunny days. We continue on to lovely Vik, Iceland's southernmost town, where we're free to explore and shop for items of locally produced wool. This afternoon, we walk along the black-sand beach at Reynisfjara, lined with columnar basalt-filled caves. En route to our hotel, we stop by the Solheimajokull "sliding" glacier. *B*

**Day 4: Selfoss/Reykjavik/Akureyri/Lake Myvatn** We transfer to Reykjavik this morning for the one hour flight to Akureyri, Iceland's "northern capital," where, upon arrival, we travel to beautiful Lake Myvatn. One of the world's natural wonders, Lake Myvatn and its environs of bubbling mud flats, lava fields, and lunar-like volcanic craters comprise a national nature reserve that ranks among the most beautiful sights in a country overflowing with natural beauty. We stop to explore the bizarre lava formations at Dimmuborgir, and also see the region's unique "pseudo craters," the boiling mud pots at Namaskard, the explosion crater at Viti, and the flat volcano system at Krafla. *B,D*

**Day 5: Lake Myvatn/Husavik/Vatnajokull National Park** This morning we travel to Husavik, where we venture out to sea on a whale watching cruise. After our cruise, we enjoy lunch at a local restaurant, then travel back towards our hotel for an afternoon filled with more scenic vistas. We visit Vatnajokull National Park, yet another of Iceland's natural wonders and stop at incredible Asbyrgi, a huge canyon enveloped by towering walls; in the middle of the partially wooded canyon sits a hoof-shaped rock called "The Island." Next, we visit Hljodaklettur, where we explore the

labyrinth of “echoing rocks” created by the spiral basalt formations of the arches and canyons here. Our last stop: jaw-dropping Dettifoss, Europe’s most powerful waterfall and Iceland’s “Niagara.” *B,L,D*

**Day 6: Lake Myvatn/Akureyri/Siglufjordur** This morning, we stop at Godafoss, the “waterfall of the gods” named for the carvings of Norse gods discarded here when the country was declared Christian a thousand years ago. Mid-morning, we arrive in Akureyri, where we have free time to explore and for lunch on our own. We travel on to Siglufjordur, the northernmost town in mainland Iceland, where we visit the unique Herring Era Museum. The exhibits here detail the rise and fall of Iceland’s herring industry, which accounted for nearly half of the nation’s export income during parts of the last century. We arrive at our hotel in time for dinner there tonight. *B,D*

**Day 7: Siglufjordur/Borgarbyggo** We travel towards the southwest corner of Iceland today, passing across highlands, dales, and fjords, through the beautiful Norourardalur Valley, which features landscapes ranging from cattle farms to lava fields. We make several stops on the way to our hotel, including Glaumbaer, featuring exhibits on rural Icelandic life from the 18<sup>th</sup> and 19<sup>th</sup> centuries, including authentic turf houses. Later we stop at a Gauksmyri farm to see the famed Icelandic horses, a unique variety that has been bred only with other Icelandic horses since first brought here by the Vikings in 800 CE. We also enjoy scenic views at Grabrok Crater, where we take a short hike for scenic views of the three lava cones here, which look like scale-model volcanoes. Continuing on towards our hotel, we make two final stops. First we explore Deildartunguhver, site of the country’s largest thermal spring; then travel the short distance to Hraunfossar Falls, the beautiful and unusual cold

springs that well up through the lava landscape and cascade into the Hvítá River. *B,D*

**Day 8: Borgarbyggo/Snaefellsnes Peninsula**

Today we encounter the stunning Snaefellsnes Peninsula. We begin on the south shore with a walk along the shell sand beach at the abandoned fishing village of Budir, surrounded by a vast lava field. We also explore the caves and bizarre rock formations along the rugged shore at Arnarstapi, site of thousands of nesting cliff birds. After lunch at a rustic oceanfront restaurant, we continue our exploration of this scenic region. *B,L*

**Day 9: Borgarbyggo/Reykjavik** En route to Reykjavik today, we visit Thingvellir National Park, a UNESCO World Heritage Site lying in a sprawling rift valley. Revered for its historical importance – this

is where Iceland’s Althing, or national assembly, met in open-air sessions from 930 CE to 1798 – Thingvellir also sits on an active volcanic site at the spot where the fissure between the geological plates of North America and Europe is most evident in Iceland. It’s also a gem of nature, with canyons, caves, waterfalls, and ponds surrounded by snowcapped mountains. We learn about the historic parliament founded here in 930 CE, and walk along a gorge into the rift valley itself. Following our visit here, we head to a local farm for lunch, then depart for famed Great Geysir and Gullfoss, Iceland’s immensely popular “golden” waterfall. We continue on to Reykjavik, home to more than half of the nation’s population and ranking as one of the world’s safest and cleanest cities.
