**An Exclusive Small Group
Travel Experience for Texas Exes**

Dear Texas Ex,

We warmly invite you to join fellow Flying Longhorns on an exclusive 14-day small group journey to South Africa, Zimbabwe, Botswana, and Zambia. Encounter some of the planet’s last unspoiled natural refuges in Southern Africa’s great wildlife sanctuaries.

Begin in Johannesburg with a full day of touring the vibrant Soweto district, including a visit to Nelson Mandela’s former home. Then spend three nights in Zimbabwe and experience the awe-inspiring Victoria Falls/Mosi-oa-Tunya. Next is Botswana’s Chobe National Park, boasting one of Africa’s largest concentrations of wildlife. During a three-night stay, enjoy exhilarating boat safaris and game drives. Conclude the adventure with a tour highlight: unparalleled wildlife viewing at South Luangwa National Park and a relaxing stay at the intimate Mfuwe Lodge. Discover Cape Town, South Africa’s sparkling “Mother City,” including the Cape Peninsula and Winelands, with an optional 4-day/4-night post-tour extension.

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association’s mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us—many of our travelers are friends and family of alumnus—we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Membership prices start at \$50.

Capacity is limited to 24 guests on this popular program and we expect it will sell out quickly. Contact us to secure your spot at 800-594-3900 or travel@texasexes.org.

Africa's Wildlife

On Safari in Botswana, Zambia & Victoria Falls

14 days for \$11,784 total price from DFW, Houston

(\$10,595 air, land & safari inclusive plus \$1,189 airline taxes and fees)

A glimpse of a world primeval awaits on this singular safari to Botswana's Chobe National Park, where elephants preside over a bounty of wildlife; Zimbabwe's dazzling and powerful Victoria Falls; and Zambia's exceptional South Luangwa National Park, a remote jewel of an unspoiled and historic preserve.

Day 1: Depart U.S. for Johannesburg, South Africa

Day 2: Arrive Johannesburg Upon arrival, we transfer to our hotel in the suburb of Rosebank, where our rooms will be ready for our early check-in. As guests' arrival times may vary greatly, we have no group activities planned. *B*

Day 3: Johannesburg/Soweto We meet our fellow travelers today as we embark on a tour of the Soweto district of Johannesburg. Here we see the home of former Archbishop Desmond Tutu; visit Nelson Mandela's former house, now a museum; and tour the moving Hector Pieterse Memorial and Museum, where we learn more about apartheid and the Soweto uprising of 1976. Then we hear fascinating stories from a local Sowetan who was present during the uprising, followed by lunch at a local restaurant. Tonight we enjoy a welcome dinner together. *B,L,D*

Day 4: Johannesburg/Victoria Falls, Zimbabwe We fly today to Victoria Falls and our lodge. This afternoon we see for ourselves the thundering falls, first "discovered" by David Livingstone and claimed for Queen Victoria in 1855. With its 300-foot-deep gorge and soaking spray, "Vic" Falls is a wonder of the natural world, straddling the border between Zambia and Zimbabwe. *B,D*

Day 5: Victoria Falls This morning we embark on a game drive to spot the elusive – and critically endangered – black rhino. Late this afternoon, we enjoy a "Sundowner" dinner cruise on the Zambezi where we see wildlife on shore and in the water. *B,D*

Day 6: Victoria Falls After a morning visit to Victoria Falls town and a local village, this afternoon is at leisure to relax at our lodge. Tonight we hear a fascinating guest speaker on "The Story of David Livingstone," followed by dinner together. *B,D*

Day 7: Victoria Falls/Chobe National Park, Botswana This morning we visit a nearby school then travel two hours by motorcoach to Botswana and Chobe National Park, boasting one of the largest concentrations of game in all of Africa. After settling in and enjoying lunch at our lodge, this afternoon we

embark on a game-viewing boat safari on the Chobe River, where we may see hippos, crocs, and some of the park’s 450 species of birds (including the sacred ibis, carmine bee-eaters, fish eagles, and kingfishers). We dine tonight at our lodge. *B,L,D*

Day 8: Chobe National Park Known for its diverse terrain that attracts an exceptional array of wildlife – including the world’s largest elephant population (some 120,000), along with zebras, lions, giraffes, impalas, buffaloes, and a wide variety of birds – Chobe covers 4,517 square miles of protected parkland. We see a portion of this natural wonder on our early morning game drive and on this afternoon’s boat safari. This evening, perhaps we’ll see one of the sublime sunsets for which Chobe is known. *B,L,D*

Day 9: Chobe National Park We’re settling into a comfortable routine, with early morning and late afternoon game drives. In between game-viewing activities, we’re at leisure to enjoy the amenities of our lodge on the banks of the Chobe River, adjacent to the park itself. *B,L,D*

Day 10: Chobe National Park/South Luangwa National Park, Zambia This morning we fly to South Luangwa National Park. Here in one of Africa’s last stretches of pristine wilderness, we have the chance to get closer to the animals than anywhere else. Late afternoon we engage in some of the lodge’s game-viewing activities, including open-vehicle game drives and walking safaris, the latter of which originated in South Luangwa. *B,L,D*

Day 11: South Luangwa National Park From our lodge situated inside the 3,500-square-mile national park and just a short drive from the main entrance, we embark on morning and evening game-viewing

excursions today. Thanks to its remote location, South Luangwa is protected from mass tourism and boasts one of Africa’s highest concentrations of game. Among the fauna living here: lions, elephants, Cape buffaloes, leopards, giraffes, zebras, hippos, wild dogs, and antelopes. We also may catch some special sights, such as Zambia’s Crawshaw’s zebras with their
