FLYING LONGHORNS

Dear Texas Ex,

Journey with us into the wilds of Africa as we explore the diverse sights of four countries during this private train expedition. Our specially curated 16-day tour uncovers a tapestry of cultural wonders, untamed dynamic landscapes and thrilling wildlife encounters in legendary national parks.

Traveling aboard a private train—your haven of comfort—embrace the stunning scenery and on-board luxuries. Enjoy time to unwind in the observation car and delight in three-course dinners prepared by talented chefs using the finest ingredients.

Game drives through Kruger National Park, Makalali Game Reserve and Hwange National Park provide opportunities to observe the Big Five and other indigenous wildlife in their natural settings. Among other adventures, sojourn through the rugged Drakensberg mountain range, explore archaeological sites in Great Zimbabwe and experience the raw beauty and power of Victoria Falls.

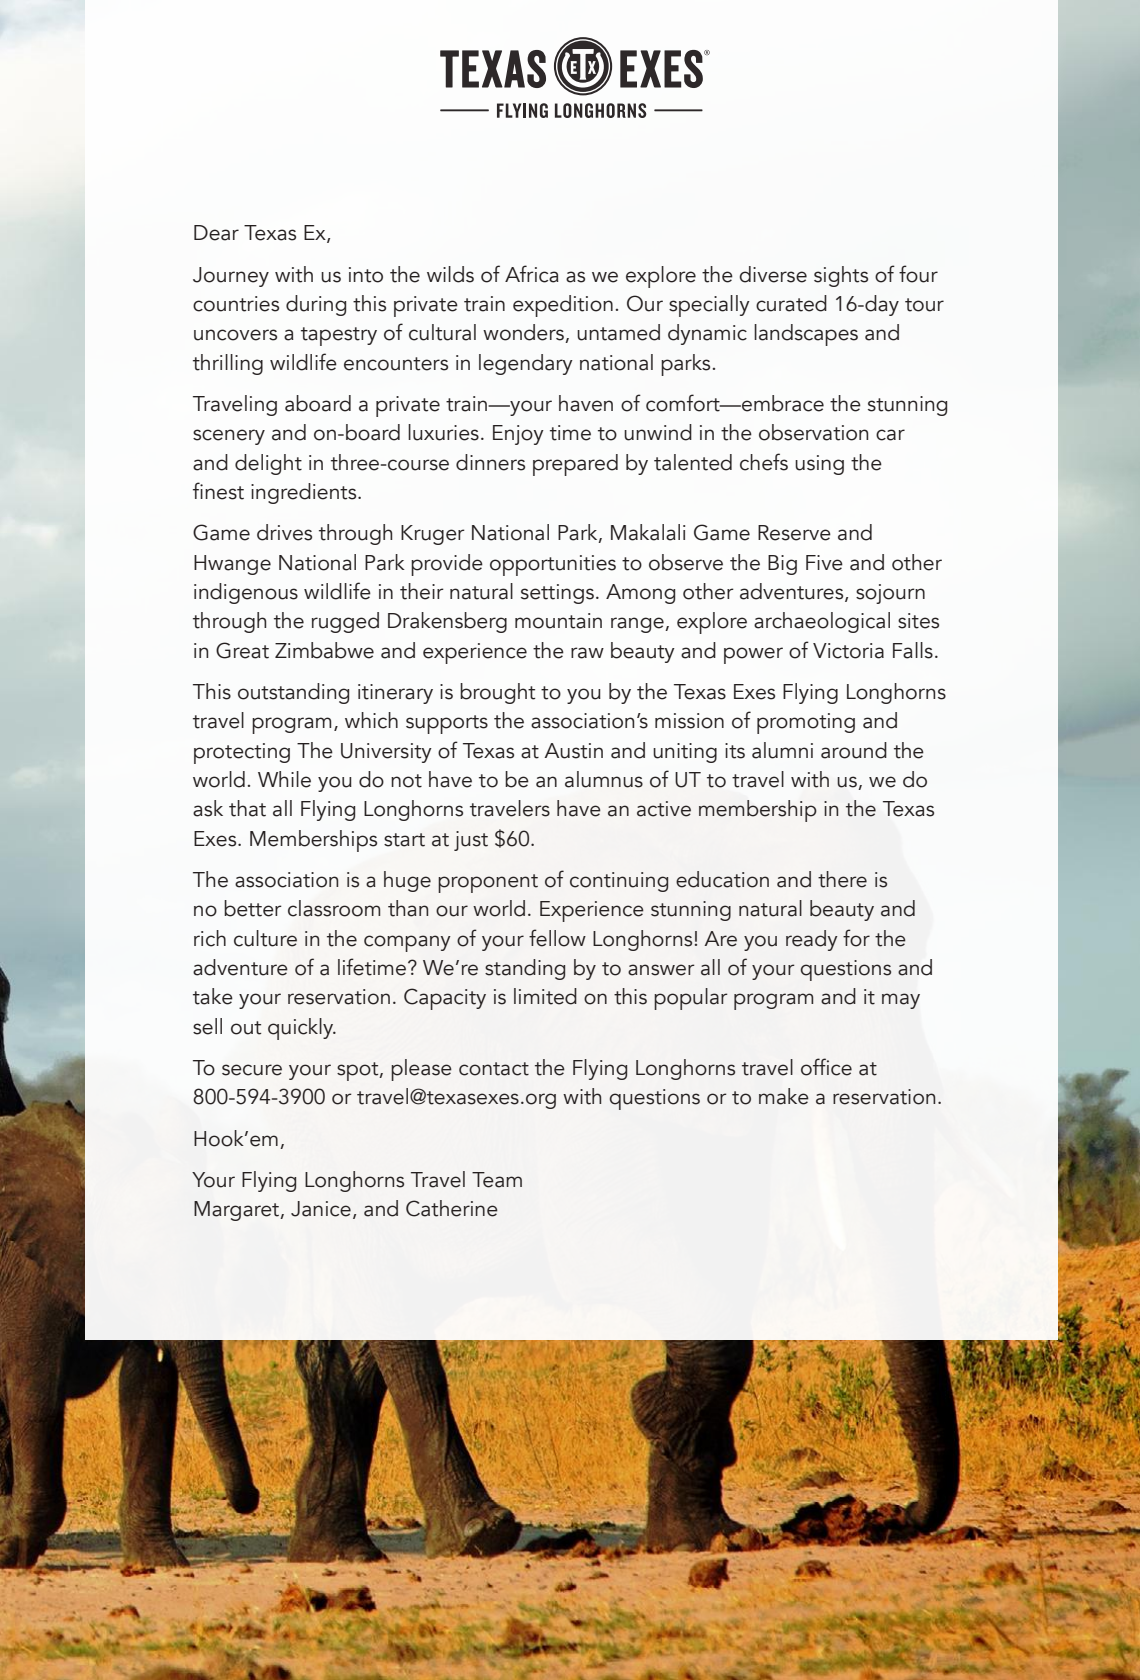

This outstanding itinerary is brought to you by the Texas Exes Flying Longhorns travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Memberships start at just $60.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience stunning natural beauty and rich culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and take your reservation. Capacity is limited on this popular program and it may sell out quickly.

To secure your spot, please contact the Flying Longhorns travel office at 800-594-3900 or travel@texasexes.org with questions or to make a reservation.

Hook'em,

Your Flying Longhorns Travel Team
