On this unforgettable sea journey, stand in awe before 5,000-year-old ancient ceremonial standing stones; uncover Neolithic houses, a Bronze Age village and an Iron Age brooch; step inside sacred ancient abbeys, Viking cathedrals and legendary castles; and traverse majestic fjords aboard the breathtaking **Flåm Railway**. As you cruise along the North and Norwegian seas, and the mighty Sognefjord, you'll witness unparalleled, spectacular coastal and fjordland scenery. Along the way, experience the enchanting and sacred, emerald teardrop Isle of Iona; the archipelago of the sandstone-rimmed Orkney Islands; and the spectacular bird life, blue lochs and famous ponies of the Shetland Islands. Our 7-night exclusive cruise aboard the luxurious **World Traveller** takes you on the sea—and on the road “less traveled” — for a rare glimpse of the wild and poetic beauty of these epic destinations. TEXAS EXES[®]

— FLYING LONGHORNS —

Dear Texas Ex:

This exclusive itinerary traces the cultural crossroads of Scottish and Nordic civilizations during the best time of year, when the weather is mild and the days are long — a rare voyage accomplished only aboard a small ship cruising into smaller ports where larger vessels cannot venture. Cruise for seven nights aboard the exclusively chartered, deluxe **World Traveller**, featuring 100 suites and staterooms, each with a private balcony.

Journey from dynamic Glasgow to charming Bergen — where rows of colorful, gabled houses on the historic, UNESCO World Heritage site of the Bryggen waterfront evoke the city's past as a center of Hanseatic League trade. Navigate the ancient shipping lanes of the Vikings and gain an intimate perspective of Norway's spectacular mountain landscape aboard the **Flåm Railway**, one of the world's most scenic train rides.

On the Inner Hebridean Isle of Iona, marvel at the sacred abbey. Bask in the dramatic scenery of the Isle of Skye, with its 11 peaks of the Cuillin Mountains, and visit the evocative Eilean Donan castle. See the untamed shorelines, serrated sea stacks and crystal-clear waters of the Orkney Islands and learn more about the islands' fascinating Neolithic history. Immerse yourself in the Norse history of the tradition-steeped Shetland Islands.

This outstanding itinerary is brought to you by the Texas Exes travel program, which supports the association's mission of promoting and protecting The University of Texas at Austin and uniting its alumni around the world. While you do not have to be an alumnus of UT to travel with us, we do ask that all Flying Longhorns travelers have an active membership in the Texas Exes. Memberships start at just \$50.

The association is a huge proponent of continuing education and there is no better classroom than our world. Experience rich history and culture in the company of your fellow Longhorns! Are you ready for the adventure of a lifetime? We're standing by to answer all of your questions and/or take your reservation. Capacity is limited on this popular program and it may sell out quickly. Scottish Clans & Norwegian Vikings

The Men of the North were cast as barbarians who plundered their way across the known world during the enigmatic Viking Age, which prevailed for almost 300 years between the 8th and 11th centuries. They sailed on dragon ships from Norway to settle in Scotland around A.D. 800 — in Jarlshof on the Shetland Islands and in the Hebrides, where over one hundred villages are still known by their originally settled Norse names, solidifying the enduring historic link between Norway's Vikings and Scotland's clans. Some of Scotland's best-known clans — the Clan Donald and Clan MacLeod — came from Norse ancestry, influencing the distinct dialects still spoken today on the Orkney and Shetland Islands. The nuances and rich histories of these two complex and deeply intertwined cultures await your discovery across these verdant and storied lands.
