Costa Rica’s Natural Heritage

11 days for $4,481 total price from DFW, Houston
($4,295 air & land inclusive plus $186 airline taxes and fees)

In this small Central American democracy kissed by nature, our small group discovers a nation’s wealth in four distinct regions, from cloud forest to rainforest, Central Valley to Pacific Coast. As Costa Rica presents its staggering display of biodiversity – pristine landscapes, unique microclimates, exotic flora and fauna – we enjoy a relaxed yet comprehensive exploration that celebrates Costa Rica’s wide-ranging natural resources.

Day 1: Depart for San Jose, Costa Rica
We arrive in the Costa Rican capital and transfer to our hotel located in the Escazu area outside the city. This afternoon and evening are at leisure.

Day 2: San Jose
After meeting our tour director and fellow travelers at this morning’s breakfast briefing, we embark on an excursion to Irazú National Park, whose active volcano last erupted in 1994. At 11,260 feet, Irazú stands as Costa Rica’s tallest volcano, as well as its largest, and presents a spectacle of nature, as it rises from a flat, bare landscape coated in ash. We return to our hotel late this afternoon; tonight we enjoy a welcome dinner there. B,L,D

Day 3: San Jose/Arenal Region
We leave this morning for the Arenal region, passing picturesque villages along the way. We stop at the Doka Coffee Estate, located on the fertile slopes of Poas Volcano, where we learn about coffee-making and Costa Rica’s coffee crop, one of the country’s largest exports. Continuing on, we stop in Carrizal at the family-owned Botanical Orchid Garden, with tropical trails, exhibits, nurseries, and gardens all dedicated to the wondrous orchid plant. After time to explore here, we travel on to Arenal and our hotel, which offers magnificent views of Arenal Volcano and where we dine tonight. B,L,D

Day 4: Arenal Region
This morning we visit a local elementary school to enjoy a cultural exchange with the children and learn about Costa Rica’s vaunted educational system – the country boasts a literacy rate of more than 95%. We continue on to Ecocentro Danaus, a biological reserve focused on conservation, environmental education, and sustainability. A series of trails winds through the secondary forest, where we see diverse flora, including orchids, bromelia, and heliconia, along with some of the preserve’s 150 species of birds, sloths, and bats, among other fauna. Highlights include a butterfly farm with 30 different species and a natural water spring that attracts waterfowl, alligators, and iguanas. Later today there’s time for more volcano viewing before and after dinner (at a local restaurant) from a comfortable perch at our hotel. B,L,D

Cover photo: We see Arenal, one of the world’s most active volcanoes, from a safe distance.
Day 5: Arenal Region  On this morning’s visit to Arenal’s hanging bridges Sky Walk, we have the special opportunity to experience the rainforest from the canopy level as we traverse a series of five suspension bridges high above the forest floor. While we observe the rainforest from a unique perspective, our naturalist guide will point out some of the flora and fauna that thrive here. Then we return to our hotel, where the remainder of the day is at leisure to relax amidst the beautiful grounds and thermal waters. Lunch and dinner today are on our own. 

Day 6: Arenal Region/Monteverde Cloud Forest  We travel today to the “green cathedral” of Monteverde. En route we stop to visit a non-profit handicrafts cooperative dedicated to enhancing the economic and social well-being of local women artists. After lunch on our own in Santa Elena, we continue on to our hotel, arriving late afternoon. We dine tonight at a local restaurant in Monteverde.  

Day 7: Monteverde  This morning we embark on a guided walk through Monteverde’s biological reserve, learning about the amazing biodiversity in this relatively small area. After lunch together we visit the Monteverde Bat Jungle to learn about Costa Rica’s diverse – and important – bat population. Late this afternoon we return to our hotel for time at leisure before we dine together this evening.  

Day 8: Monteverde/Guanacaste  We depart by coach this morning for Guanacaste, Costa Rica’s stunning northwest Pacific coastal region. Along the way we visit Monteverde’s delightful Butterfly Garden, with a variety of species including the stunning blue morpho and the virtually transparent glasswing. After a stop for lunch, we reach our resort hotel overlooking the Pacific mid-afternoon.  

Day 9: Guanacaste  A float safari on the Tempisque River highlights this morning’s excursion to the Palo Verde region, which is both an extraordinary wetland and also one of the world’s last tropical dry forests. In this unique ecosystem, we can expect to see abundant bird- and wildlife, including monkeys, iguanas, and crocodiles. After lunch together we return to our hotel mid-afternoon, with the remainder of the day at leisure to relax amidst the beautiful grounds and thermal waters. Lunch and dinner today are on our own.  

We see many colorful tree frogs in Costa Rica’s rainforests.

Responsibility: The liability of the Texas Exes Flying Longhorns Travel Program, as sponsor, and Odysseys Unlimited, Inc., as tour operator, is strictly limited. Odysseys Unlimited, Inc. purchases transportation, hotel accommodations, and restaurant and other services from independent suppliers not under our control. We serve only as agents for these suppliers in securing tour arrangements, and therefore will not accept responsibility for wrongful, negligent, or arbitrary acts or omissions of these independent contractors, or of their employees, agents, servants, or representatives. The Texas Exes Flying Longhorns Travel Program and Odysseys Unlimited, Inc. are not liable for injury, damage, loss, accident, or delay that may be caused by events not within our control, including, without limitation, acts of terrorism, war, strikes, the defect of any vehicle, or the negligence or default of any third party. All coupons, receipts, and tickets issued are subject to the terms and conditions specified by the air carriers, cruise lines, and other independent suppliers. We will make every effort to operate our tours as planned, but we reserve the right to make itinerary changes as necessary. If unforeseen circumstances require us to change a hotel, we will select alternative accommodations of the same or better quality.

Health and Medical Issues: We request that you be in good health to participate in this tour. There is a considerable amount of walking as well as nature walks and lengthy coach rides over bumpy roads, and you must be able to get on and off motorcoaches and boats on your own. We regret that we cannot offer individual assistance; in such cases you must be accompanied by a companion who will assist you. Please note that many of our tour itineraries, for reasons beyond our control, do not accommodate wheelchairs. Please call or e-mail us to inquire and we will do our best to answer any questions you may have. We reserve the right to remove anyone whose physical or mental condition, in our opinion, compromises the operation of the tour or detracts from the enjoyment or safety of the other passengers. In that event, the Texas Exes Flying Longhorns Travel Program and Odysseys Unlimited, Inc. assume no financial responsibility for any unused portion of the tour.

Air Transportation – Important Information: Odysseys Unlimited, Inc. includes in its tour price round-trip economy air from designated gateway cities as shown, and contracts with those airlines the company feels provide the level of service, routings, and value necessary for your entire trip. While another airline may offer a more direct connection, it may be at a price unavailable at the lower group rates. You will receive your preliminary air schedule approximately 2½ months prior to departure. Please note that seat assignment on your international flight is usually done at airport check-in. Odysseys Unlimited, Inc. is unable to guarantee any seat assignment. Due to the nature of tour operator tickets, other restrictions apply, including, but not limited to, frequent flyer mileage accrual, stopovers, alternate travel dates, upgrades, and airline taxes and fees. If you prefer to make your own travel arrangements, Land Only is available on most tours. Since international and domestic air schedules are subject to change at any time, we recommend that if you choose to make your own airline reservations, you do not purchase non-refundable tickets with those high penalties for changes. If you choose to make your own air arrangements, Odysseys Unlimited, Inc. shall not have any liability for any loss resulting from cancellation of this tour or changes in this tour.

COVID-19 Health and Safety Protocols: The well-being of our guests and staff members on tour will continue to be our highest priority. To maintain a healthy environment for travel, we will be establishing and adhering to a detailed set of health and safety protocols for all facets of your tour. We are committed to following the guidelines of the State Department, CDC, WHO, and authorities of respective countries regarding travel to a particular destination. Detailed protocols for this tour, based on conditions at the time, will be provided to you prior to your departure.
